ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

CLIENT OVERVIEW

Our client, one of the oldest Australian personal injury insurers with their quickly growing team in Vietnam, is looking for a **Mid-level Developer** who has both .NET MVC and .NET Core experience as well as experience working in Agile. You will become a crucial part of an interesting project developing a Web-based insurance claims management system for AU client.

CLIENT POSITION DESCRIPTION

Key Responsibilities

You will report into a SCRUM Certified Team Lead, and work in a small team of Developers and QC Engineers to enhance the current system functionality.

- Developing software using latest Microsoft Technologies such as C#, .Net, WebApi...
- Working on the inhouse web application claims management tool – enhancing the functionality for a new insurance partnership and product for the Company
- Researching and identifying root causes of defects and issues
- Following Agile Testing to improve product quality
- Working as part of a team and participating in customer support activities as needed cycle

Skills, Experience & Qualifications

- .NET MVC and/or .NET Core expertise
- Familiar with Entity Framework, Web API and SQL/SQL Server
- Frontend stacks: HTML, CSS, JavaScript, jQuery, JavaScript frameworks (React, Angular,...)
- Knowledge of RabbitMQ, Kendo UI is a plus
- Previous experience working in the Agile methodology
- A minimum of 2 years in software development is required
- English Skill: required reading and writing skills; speaking and listening are bonuses

POSITION DESCRIPTION

ASW Offers

- Competitive remuneration
- We are experts in **Offshoring** partnerships. This means that you will be a trusted member of the ASW family, and get access to our great benefits, plus you also get to work directly with ONE of our clients as a part of their international team from the US, UK, Canada, Australia, New Zealand, and much more.
- Premium Personal Insurance Package
- Great Paid Leave entitlements
- Free LinkedIn learning & Coursera account
- Stocked fridges and pantries - free coffee, cold beverages, snacks
- Our own ASW Toastmasters Club - perfect your English!
- A diverse, inclusive and supportive company culture
- Exposure to an international environment, working with people across Malaysia, Vietnam, and Australia
- Opportunity to collaborate and work with global clients and stakeholders
- Team outings, travel abroad opportunities, company parties/events, and other exciting activities
- Industry and role-related training
- Overtime is rarely required
- Ongoing career opportunities
