VIETNAM

ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

CLIENT OVERVIEW

Our client is a well-established and highly successful leading provider with over 2200 talented employees worldwide of an extensive range of healthcare advice, strategies, and solutions with operations in the United States, Canada, United Kingdom, and Australia for the past 35 years.

They are currently having a fantastic opportunity for experienced and passionate customer-focused software developers who are self-motivated, have a passion to deep dive into technology, and seeking to work in a dynamic and engaged organization to join in their growing team. You will be reported to the Team Leader and responsible for the delivery of high-quality software and innovation through technology. You will also be pivotal in several key projects and initiatives.

CLIENT POSITION DESCRIPTION

Key Responsibilities

- Designing, developing, reviewing, testing, and delivering custom software solutions whilst collaborating with stakeholders.
- Ensuring the code produced is of high quality and follows our coding guidelines.
- Reviewing code from other team members and critically assessing the code for high-quality design and adherence to our coding guidelines.
- Actively contribute to solution design discussions and present technical design options for consideration.
- System configuration and integration.
- Maintaining and supporting existing software.
- Support team members to solve application-related issues.

POSITION DESCRIPTION

Skills, Experience & Qualifications

- From 5 years of working experience in software development with Microsoft technologies (C#, .NET frameworks, Entity framework) and Agile software development.
- Strong experience in web development is a big plus.
- A passion for SOLID Principles, Clean Code, and solution design.
- Ability to review code and support for middle and junior developers.
- A desire to deeply understand how technologies work.
- Competent English communication skills, both verbal and written.
- Company Tech stack: ASP.NET Core, MVC4, Vue.js, HTML5, CSS3+, JavaScript, LINQ, Entity Framework, MS SQL, ASP.NET.
- Tools: Visual Studio, SQL Server Management Studio, ReSharper, Git. C1

ASW Offers

- Sign-on bonus of 3,000AUD
- Competitive remuneration
- We are experts in **Offshoring** partnerships. This means that you will be a trusted member of the ASW family, and get access to our great benefits, plus you also get to work directly with ONE of our clients as a part of their international team from the US, UK, Canada, Australia, New Zealand, and much more.
- Premium Personal Insurance Package
- Great Paid Leave entitlements
- Free LinkedIn learning & Coursera account
- Stocked fridges and pantries - free coffee, cold beverages, snacks
- Our own ASW Toastmasters Club - perfect your English!
- A diverse, inclusive and supportive company culture
- Exposure to an international environment, working with people across Malaysia, Vietnam, and Australia
- Opportunity to collaborate and work with global clients and stakeholders
- Team outings, travel abroad opportunities, company parties/events, and other exciting activities
- Industry and role-related training
- Overtime is rarely required
- Ongoing career opportunities
