

POSITION DESCRIPTION

POSITION TITLE: Application Developer (SharePoint /ServiceNow)

LOCATION: MALAYSIA PHILIPPINES VIETNAM

ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

CLIENT OVERVIEW

A well-known humanitarian organization based in Australia is calling applications for Application Developer (SharePoint /ServiceNow). Our client helps Australians act for humanity. Each in their way, and together with communities and partners, they aim to give each action a far greater impact.

CLIENT POSITION DESCRIPTION

Key Responsibilities

- You will be a part of the Application Delivery team to ensure our IT teams' future success.
- You will create, develop and support software applications and components that facilitate the achievement of business and client outcomes through the use of process and technology.
- You will need to engage effectively with internal and external stakeholders in the determination of application and component requirements to ensure that solutions and software applications are both fit for purpose and fit for use. You will also work closely with the Development Manager, other development team members and product owners to ensure appropriate testing, training and rollout of solutions.

Skills, Experience & Qualifications

- Extensive experience as a Software Developer, Analyst Developer or similar role
- Demonstrated ability to deliver and maintain complex functionality enhancements and additions in accordance with detail design specifications
- Demonstrated experience with workflow management and business process automation
- In depth knowledge of Microsoft .NET tech stack, Microsoft SQL Server and enterprise CRM platforms (e.g. D365, Salesforce, etc.)
- Experience with SharePoint development highly regarded.
- Experience with ServiceNow highly regarded

POSITION DESCRIPTION

- Knowledge of Azure cloud (or other cloud platforms), Azure DevOps, and Azure Integration Services are highly regarded
- Application configuration and support experience and familiarity with ITIL processes essential
- Ability to identify operational improvements to facilitate business effectiveness is highly regarded

ASW Offer

- Competitive remuneration
- We are experts in **Offshoring** partnerships. This means that you will be a trusted member of the ASW family, and get access to our great benefits, plus you also get to work directly with ONE of our clients as a part of their international team from the US, UK, Canada, Australia, New Zealand, and much more.
- Premium Personal Insurance Package
- Great Paid Leave entitlements
- Free LinkedIn learning & Coursera account.
- Stocked fridges and pantries - free coffee, cold beverages, snacks.
- Our own ASW Toastmasters Club - perfect your English!
- A diverse, inclusive and supportive company culture
- Exposure to an international environment, working with people across Malaysia, Vietnam, and Australia
- Opportunity to collaborate and work with global clients and stakeholders
- Team outings, travel abroad opportunities, company parties/events, and other exciting activities
- Industry and role-related training
- Overtime is rarely required
- Ongoing career opportunities
