ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

CLIENT OVERVIEW

AS White Global is looking for a **Draftsman** to develop construction drawings across multiple formats to outline waterproofing compliance.

Primarily focused on the development of waterproofing sections and details to achieve compliant designs.

CLIENT POSITION DESCRIPTION

Key Responsibilities

- Prepare, evaluate and develop section details outlining compliance information, material selection and the interface between building elements in AutoCAD or similar.
- Attend and contribute to workshop meetings for construction projects during both design and construction phases.
- Assist in the preparation of performance solutions and other compliance documentation as required.
- Work as part of a professional team committed to excellence and sharing information, but work in a self-directed/self-managed manner.
- Ensure accuracy in file management and record keeping.
- Assist Managing Director and Design Coordinators as necessary on other tasks.

Skills & Experience

- Tertiary qualifications in Architecture, Building Design, Engineering, Construction Management, Drafting, or similar.
- Knowledge of waterproofing and/or coating applications.
- Experience working with Australian clients and projects
- Preferably 2+ years of construction industry experience, relative to waterproofing and interfacing building elements or similar but not essential.
- Experience and confident use of AutoCAD or similar software to prepare architectural drawings.

POSITION DESCRIPTION

- Experience using Microsoft Word, Excel, and data collection software.
- Confidence in managing ad-hoc requests, and handling multiple projects at once.
- Excellent oral and written communication skills.
- Excellent Customer service and problem-solving skills.
- Knowledge of Australian Standards, building codes, and guides relevant to building structures, or willingness to learn.

ASW Offers

- A diverse, inclusive, and supportive company culture
- Competitive remuneration
- Opportunity to collaborate and work with global clients and stakeholders
- Medical benefits
- Great Paid Leave entitlements
- Team outings, travel opportunities, company parties/events, and other exciting activities
- Exposure to an international environment, working with people across Malaysia, Vietnam, the Philippines, and Australia
- Industry and role-related training
- Ongoing career opportunities.
