

# POSITION DESCRIPTION

**POSITION TITLE:** Planning Consultant (Infor d/EPM)

**LOCATION:** MALAYSIA  PHILIPPINES  VIETNAM

## ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

## OVERVIEW

Our client is a rapidly growing Performance Management/ Analytics/Business Intelligence consulting organisation with a diverse range of blue-chip clients across various industries that provides Advisory consultancy services, full-lifecycle program implementations, training and support services.

We currently are looking for a passionate **Planning Consultant** to join our Performance Management practice with a primary focus on the **Infor d/EPM** product suite. You will have strong technical and communication skills which will enable you to clearly articulate business problems to their technical solutions.

## KEY RESPONSIBILITIES

- Working with clients to understand their requirements
- Designing and building planning models
- Running design workshops and training sessions.

## QUALIFICATIONS AND EXPERIENCE:

- 4+ years professional experience in leading and/or implementing various Enterprise Performance Management (EPM) solutions e.g. Anaplan, Hyperion, Jedox, TM1, Workday, SAC, etc.
- Experience using Infor d/EPM is desirable
- Deep understanding and expertise in designing and implementing sales planning, expense planning, labour planning, CAPEX planning, Balance Sheet and Cash Flow planning
- Solid knowledge of Finance/Accounting systems
- Strong expertise in data management (e.g. database systems, SQL, ETL tools)
- Proficient coding skills are beneficial (e.g. C#, Java, VB Script)
- Ability to run design workshops and training sessions
- Solid analytical and problem-solving skills
- Possess excellent written and verbal communication skills

# POSITION DESCRIPTION

- Attention to detail and critical thinking.

## ASW OFFERS

- Competitive remuneration
- We are experts in **Offshoring** partnerships. This means that you will be a trusted member of the ASW family, and get access to our great benefits, plus you also get to work directly with ONE of our clients as a part of their international team from the US, UK, Canada, Australia, New Zealand, and much more.
- Great Paid Leave entitlements
- Free LinkedIn learning & Coursera account
- A diverse, inclusive and supportive company culture
- Exposure to an international environment, working with people across Malaysia, Vietnam, and Australia
- Opportunity to collaborate and work with global clients and stakeholders
- Team outings, travel abroad opportunities, company parties/events, and other exciting activities
- Industry and role-related training
- Overtime is rarely required
- Ongoing career opportunities
