ASW COMPANY OVERVIEW

ASW is creating the world's most talented international family through hiring and growing talent into long-term careers with Australian companies. ASW is a recruitment and talent specialist, that partners with Australian companies to help them build highly capable international teams. We enable Australian companies to meet their business goals by accessing and retaining premium talent in emerging markets and giving that talent the opportunity to grow, learn and develop. Together we embed international teams into respected Australian businesses, both functionally and culturally, to deliver enduring and transparent people solutions.

THE OPPORTUNITY

Our partner is a top Australia-based leading in developing web applications for Workers Compensation. First for Injuries, then for Premiums, then for Claims and now a fully national suite with all this information combined. Their product suite of tools makes it simpler to manage complex tasks. They add power to your risk management systems.

Their Business Services Delivery department is actively focused on building web. Currently, they are looking for a **Python Developer** to join the software engineering team to create modern digital software products. The team uses cutting-edge technologies to build high performing, scalable cloud-based solutions in a safe, secure, and agile fashion.
