## ASW COMPANY OVERVIEW

ASW is creating the world's most talented international family through hiring and growing talent into long-term careers with Australian companies. ASW is a recruitment and talent specialist, that partners with Australian companies to help them build highly capable international teams. We enable Australian companies to meet their business goals by accessing and retaining premium talent in emerging markets and giving that talent the opportunity to grow, learn and develop. Together we embed international teams into respected Australian businesses, both functionally and culturally, to deliver enduring and transparent people solutions.

## THE OPPORTUNITY

Our partner is a top Australia-based leading in medical examination and health management company. Over 3000+ National Clinic Network, with 1200+ Medical Specialist around the world and 300+ locations with operations in the United States, Canada, United Kingdom and Australia always online 24/7.

Currently, they are looking for a Business Analyst with a Finance/Accounting background to provide business support through the collection, analysis and interpretation of data and trends to improve business performance and identify opportunities to drive better results.

## KEY RESPONSIBILITIES

- Support the Group of Companies with providing business support through the collection, analysis and interpretation of data and trends to assist managers in understanding their business performance and identifying opportunities to drive better results.
- Assist in the provision of workforce analytics, financial reporting, forecast and budgeting
- Assist in the implementation of improvements in reporting, including existing and new tools.
- Identify requirements and will actively seek appropriate solutions and help with their implementation.

## SKILLS, EXPERIENCE & QUALIFICATION

- 2-3+ years of experience with Business/Finance/Accounting qualifications
- Proficiency in Microsoft Excel, including data modeling.

# POSITION DESCRIPTION

- Strong experience with Power BI, including data modeling, DAX, and report creation.
- Ability to manage large datasets and perform complex calculations.
- Excellent English communication skills, both written and verbal.

## ASW OFFERS

- We are experts in international partnerships. This means that you will be a trusted member of the ASW family, and get access to our great benefits, plus you also get to work directly with one of clients.
- In our unique English-speaking environment, you can practice and enhance your English with peers and international client teams based in either Australia, UK, US or NZ.
- Get global access to Learning & Development programs.
- Great work-life balance.
- Competitive remuneration.
- Excellent medical benefits.
- Great Paid Leave entitlements.
- Company parties/events, future travel opportunities and other exciting activities.
- Ongoing career opportunities.
