POSITION DESCRIPTION

POSITION TITLE:

Full Stack Developer

LOCATION: MALAYSIA ☐   PHILIPPINES ☒   VIETNAM ☐   THAILAND ☐

ASW COMPANY OVERVIEW

AS White Global (ASW) is an Australian owned company with offices in Sydney, Vietnam, the Philippines, and Malaysia. We are specialists in unified offshore staffing solutions and have been working in Southeast Asia for the past decade. Our ASW employees are part of our very special ASW family and culture, but also integrate into our client's brand and team – effectively you get two work families!

Working in our local ASW company culture means you will develop strong friendships and great support networks. You will be part of a positive and engaged environment, participate in team and company events, and have access to global training and development opportunities. In addition, you will get exposure working with our international clients and build on your existing skill sets.

CLIENT OVERVIEW

AS White Global is hiring a Full Stack Developer (React, Nodejs) for a B2B payment platform targeting businesses in Australia. are seeking a passionate Full Stack Developer who can help iterate in a lean and consistent manner, familiar with end-to-end product development, plan and collaborate to get iterative outcomes delivered.

You will join their team of experienced and energized innovators who have an exciting roadmap in place to develop their 10,000-user platform using cutting-edge technologies.
